Re MUR No 5943

Dear Mr Jordan

This letter is in response to Mr James Harrison's supplemental correspondence in the above entitled matter

Californians for Equal Representation ("CER") had no relationship with the individuals named in the supplemental submission by Mr Harrison -- and Mr Harrison does not allege any such relationship with the CER committee. Instead, Mr Harrison merely alleges that the newly named individuals are attempting to revive the ballot measure effort. Mr Harrison has presented no further basis for a complaint against CER.

As our response submitted to you on October 24, 2007 describes in great detail, Hillary Clinton's presidential campaign has a number of troubling ties to the individuals seeking to defeat the Presidential Election Reform Act measure. Mrs Clinton's campaign operatives have virtually admitted these ties, and have all but acknowledged filing this FEC complaint.

Since neither of the submissions made by Mr Harrison contains any basis for concluding that CER was established, financed, maintained and/or controlled by anyone, including the Giuliani campaign, the Commission should take no further action as to CER.

Very truly yours,

Brian T Hildreth
